— PROFILE

Videographer and content creator working with filmed footage, motion design, and AI-generated video and images. I handle concept, shooting, editing, colour and delivery, using AI tools for content creation and post-production. My background also includes multimedia design and web.

— EXPERIENCE

Video Creator & Editor / Graphic & Brand Designer

2024 – Present

Amazing Visuals · Oradea

- ◆ Plan and shoot video for brands: commercials, brand films, event aftermovies, product and conference films, reels.
- ◆ Edit with colour correction, sound mixing and motion graphics; keep a consistent visual identity across campaigns.
- ◆ Built the studio's website and brand visuals.
- ◆ Create AI-generated video and images; use AI-assisted video editing.

Founder · Video Creator, Web Designer, Photographer

2018 – Present

Rebelvue Productions · Oradea

- ◆ Produce commercials, music videos, product demos and vertical reels, plus studio photography and websites for clients.
- ◆ Grew a nightclub's Instagram following by 45% and weekend in-person traffic by 60% with 10+ dynamic reels.
- ◆ Use AI-assisted video editing and image generation in recent client work.

Creative Director

2023

AMR Elektro · Oradea

- ◆ Led photo, video and graphic design; created a showcase website and an interactive vehicle configurator for the e-commerce store.
- ◆ Managed social media, ads and the online shop.
- ◆ Used AI image generation for marketing content.

Content Creator / Video Producer

2020 - 2022

Utopium · Oradea

- ◆ Scripted, shot, directed, edited and colour-graded videos: Instagram reels, music videos, live reports, product films.
- ◆ Launched the in-house video & photo department (22% saving on outsourcing) and made a documentary on CSM Oradea's rebranding.
